

Thank you for your kind words and wishes last week as many of you may know, I tested positive for COVID. I usually don't get the common cold and other ailments, I think working in a school makes you quite immune to many things, but I was ill with COVID and spent 5 days in bed. Hence no newsletter last week. I am better but I would hope, as we move forward and live with COVID, that people aren't affected as much as I have been. If your child does test positive please phone the school office, at your earliest convenience, and select option 1.

It is nice to be back, especially when one of our gorgeous Year 1 children, told me that he had been told that I had been to jail! Hopefully that rumour can be quashed now as I was definitely in the comfort of my own home.

HOLOCAUST MEMORIAL DAY

I was unable to include all the photos in the last newsletter, from Holocaust Memorial Day, that was held 3 weeks ago so please find some more photographs of children creating some beautiful copper embossing.

BOOK VENDING MACHINE

A book vending machine has been delivered and we are hoping to fill it with lots of bright, new, exciting books.

Thank you to those parents who have donated new books and money so that we can start to fill it. We will continue to fundraise so any ideas would be appreciated.

NURSERY

If you have a young child who will require a place in our nursery, please collect an application form from the lobby and return it to the school office with the documents outlined on the form. They will be added to our waiting list and parents will be contacted during the term before they are 3 years old.

After Easter we are excited to be able to offer 30 hours per week to those parents who are eligible and may have some spaces for working parents to purchase additional sessions.

CHILDREN LATE FOR SCHOOL

If your child arrives late and the gate to their playground is locked, please remember to escort them to the school office and sign them in.

FORTHCOMING EVENTS

Friday 18 th February 2022	Half Term
